*Jessica Lynn's*  
**TRANSGENDER**  
J O U R N E Y

The University of St Andrews is delighted to host Jessica Lynn, president of Your True Gender and advocate for transgender education, for a one-off, out of term-time seminar. Jessica is the only biological parent in the USA to be removed from her child's birth certificate due to her gender transition.

Her seminar will cover her transition, her sex change, and the legal and ethical aspects of gender identity, as seen through her intersectional perspective.

**All University staff and students welcome**
